INSTRUCTIONS:

1. If you wish to contest that this vehicle has been properly deemed abandoned or removed, or the reasonableness of the towing and daily storage fees, complete items 1 through 5 of the petition and request a hearing with the court. The petition must be filed with the court either by mail or personal appearance within 20 days of the date of the notice that the vehicle was taken into custody.

WARNING: Failure to redeem the vehicle or request a hearing within 20 days after the date of the notice may result in termination of all rights of the owner and the secured party to the vehicle.

2. If you wish to request that a motorcycle seized by a police officer and held longer than 30 calendar days be returned, complete items 1 2, 3, and 6 of the petition and request a hearing with the court. The hearing date must be within 10 days from the date of the filing of the petition.
3. The matter shall be resolved after the hearing conducted by the court. You may obtain release of an impounded vehicle in one of the following ways:
 - a. Post a towing and storage bond with the court.
 - b. Pay the towing and storage fees.

If the court finds that the vehicle was not properly deemed abandoned or removed, the policy agency shall reimburse you for the towing and storage fees.

4. An "abandoned vehicle" is defined as a vehicle that has remained on public or private property for a period of 48 hours after a police agency or their designated agent has affixed a written notice to the vehicle.
